About IIT Indore

Indian Institute of Technology Indore (IIT Indore) is an institute of national importance located in Indore, Madhya Pradesh, India. It was one of the eight new Indian Institutes of Technology (IITs) started by the government of India in the year 2009. Internationally, the IIT Indore ranked 396 in the QS World University Rankings of 2023 and 185 in Asia. It was ranked 601–800 in the world by the Times Higher Education World University Rankings of 2023, 87 in Asia in 2022 and 84 among emerging economies. In India, it was ranked 16 among engineering IITs by the National Institutional Ranking Framework in 2022. Abstracting and indexing database Scopus has rated IIT Indore as the top among the new IITs. IIT Indore is located at Simrol, Khandwa Road. The campus sprawls across 501.42 acres.

About Sustainable Chemistry Conference Series :

The first conference of this series “Sustainable Chemistry-I-2023” was held on Feb 21-22, 2023 at IIT Indore and “Sustainable Chemistry-II-2024” was held on Feb 20-22, 2024 at Kenilworth Resort, Goa. The conference was started as an important activity under a bilateral Indo-German Higher Education Partnerships between IIT Indore and University of Regensburg, Germany. The present conference is the third version of this conference.

How to Do Registration ?

Please do the payment in the payment link given below.
